

## VILLAGE VOICE

April 2024

Westminster Village has been a part of the community and has embraced lives for more than 50 years! Over the next several Village Voice issues, you will get a look into how things have evolved over the past 50 years!

### The Pond Gazebo

The pond Gazebo was added in 1987 and built by Mike Bailey, Westminster's carpenter for over 37 years. It was dedicated to him in 2017 after he passed away. It is a great place for residents to gather next to the pond and visit with family and friends. The changing of seasons at Westminster can be seen through some great pictures over the years, some pictures taken by resident, Charles Austin. Westminster also has a second Gazebo located in the Devon Courtyard. It was dedicated in 1988 to Jewel Crumes, Westminster's Housekeeping Manager after she passed away in honor of her 14 years of dedication.

## BRICK AND FOUNDATION FUNDRAISER

You can purchase a 4x8 or 8x8 brick that will be placed outside along the sidewalk so everyone who visits Westminster Village will be able to view it. This is a fundraiser to support the Westminster Village Foundation which is a not-for-profit organization existing to serve present and future residents of Westminster Village Muncie, Inc. through grants, studies, and financial assistance.

If you aren't interested in purchasing a brick, you can help support other resources that the foundation helps fund. All monetary donations are accepted. If you have any questions or would like more information, contact Erin Ailstock at 765-288-2155 ext. 1148.
