

# VILLAGE VOICE

August 2024

Westminster Village Muncie has been a part of the community and has embraced lives for more than 50 years! Over the next several "Village Voice" issues, we will show you how things have evolved over the past 50 years!

The Cafe was added during the renovation of 2016 featuring soups, sandwiches, salads, and more. The Cafe offers residents and staff a place to meet and get a quick meal. The Wellness and Fitness Centers were moved during the renovation of 2016 from a small apartment. The new area allows for more exercise equipment and a large space to host exercise classes.

## OLYMPIC GAMES BRING INSPIRATION TO ALL AGES!

The Olympics hold a special resonance for senior citizens, serving as a reminder of the enduring power of athleticism and determination across all ages. Many seniors find inspiration in the stories of older athletes who defy stereotypes and compete at the highest levels of sport. The Games embody values such as perseverance, discipline, and the pursuit of excellence, which resonate deeply with older adults who have experienced a lifetime of challenges and achievements themselves.

Moreover, the Olympics provide seniors with a sense of connection to global cultures and histories. Watching athletes from diverse backgrounds come together in friendly competition can foster a sense of unity and pride in shared human accomplishments. For seniors who may have participated in sports during their youth or have a lifelong passion for athletics, the Olympics offer a nostalgic and uplifting experience, reinforcing the belief that age should never be a barrier to pursuing one's passions and staying engaged in life.
