

VILLAGE VOICE

June 2024

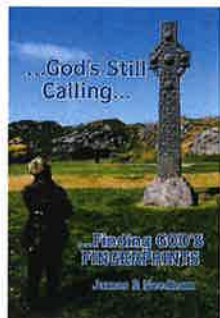

Summertime offers lots of opportunities!

Summer in a Life Plan Community (formerly known as Continuing Care Retirement Communities or CCRCs) is a season filled with many activities, fostering a vibrant atmosphere that complements the warmth of the weather.

Residents of these communities have access to a range of amenities and services designed to enhance their quality of life, and summer brings out the best of these offerings. Whether it's taking a walk around the grounds, enjoying a Friday movie, or participating in crafts, there's something for everyone to enjoy. The longer days provide ample time for residents to engage in physical activities like walking clubs or offsite outings, promoting both fitness and socialization.

Moreover, the summer months often coincide with a flurry of events organized by Westminster Village or the community, allowing residents to enjoy entertainment or activities of all varieties. These outings not only provide opportunities for adventure and discovery but also strengthen the sense of camaraderie among residents. Summer in a Life Plan Community is not just about staying active and engaged; it's about fostering a vibrant community spirit where residents can thrive, connect, and make the most of every moment.

EMPLOYEE SPOTLIGHT

Name: Dawn Larsen

Job Title: LPN, Nursing Software Specialist

Department: Nursing

What is your favorite hobby? I enjoy crafts, mostly coloring and painting decorations for my monthly/seasonal tree, and also crafting/decorating with my nieces and nephews.

What's one thing on your bucket list? I don't really have a list. I mainly want to live a life that leaves a legacy and positively impacts others-- which could lead to newer and exciting experiences.

What's a fun fact about you that many people may not know? I photographed and DJ'd multiple functions for family and friends "back in the day".

How long have you been with the company? I was hired at WVM January 1986--38+ years ago.

What do you enjoy most about working here? I most enjoy the "family" atmosphere between employees, residents, and other staff. Along with that, I appreciate that all faiths/beliefs are honored, respected, and drawn upon in our every day functions.
