

VILLAGE VOICE

October 2024

Westminster Village Muncie has been a part of the community and has embraced lives for more than 50 years! Over the next several "Village Voice" issues, we will show you how things have evolved over the past 50 years!

CooperVista Rehab-to-Home

The CooperVista Rehab-to-Home was added to Westminster in 2016 and named in honor of Dr. Robert Cooper who donated the land for Westminster Village many years ago. The newly created 20 private suites allows patients to receive the therapy they need in our state-of-the-art therapy gym offering physical, occupational, and speech therapies. CooperVista has a separate entrance for visitors for visitation with residents, their own Woods Edge Dining Room and outside therapy garden.
